

Greetings from East Meru Community School,

We have many reasons to be THANKFUL at this time of year.

For YOU - our generous supporters and sponsors who make it possible to provide free education in a nurturing environment to benefit the poor in our community.

Our students and staff have remained healthy and our classes have not been cancelled despite COVID19 so we can reach our academic goals!

At school we take all of the precautions to make sure our students and staff remain safe; one of the very important is each student wearing a mask and washing hands in clean water.

We have all the reason to thank our donors who helped with the cost of making washing hand stations to help our community stay healthy.

The washing station made a big difference especially this time of the year with COVID 19 as you can see the photo below shows before and after, making it easy for our students and staff.

Lots of Love and Thank you from all of East Meru Community Family, we real can't thank you enough.

Students are performing in the top10% on their national exams, we are very grateful.

Lots of Love and Thank you from all of East Meru Community Family, we real can't thank you enough.

The Community Library is nearing completion .

We thank our sponsors and donors for continue supporting our Community Library, we all looking forward and excited to start using it soon. Go Near Ministry and Hope International School we are much appreciated for your donation of supplies and books.

Lots of Love and Thank you from all of East Meru Community Family, we real can't thank you enough.

22 Standard 7 students will be graduating on October 30th.
